SPF-8

Bookletmaker

**The Compact Desktop Bookletmaker
that saves money and time by increasing
the efficiency of your book binding operation.**

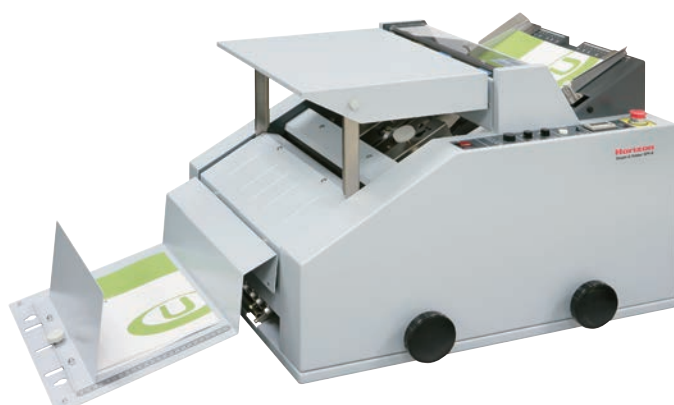

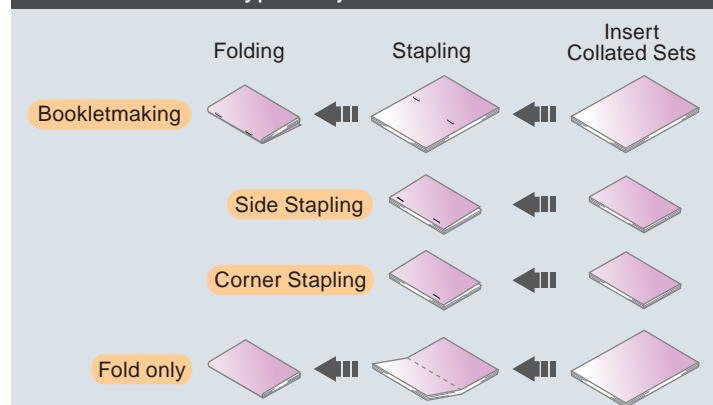

Features

1. **Multiple Functions** - Bookletmaking, Side-stapling, Corner-stapling and Fold can be selected.
2. **Easy to Operate** - Even a non-skilled operator can staple and fold with fail-safe and simple operation.
3. **Staple Monitor** - When the staple becomes empty or jammed, operation stops immediately.
4. **Flat and Neat Stapling Finish** - The SPF-8 is equipped with the staple unit that produces completely flat stapling.
5. **Perfect for Short-Run Operation** - The SPF-8 is the perfect machine for short run job or sample preparation.

A Powerful Compact Machine that can staple and fold sheets efficiently.

Four types of jobs can be done..

Operation Procedure

1 Select the job pattern.

2 Insert prints, then press the start button.

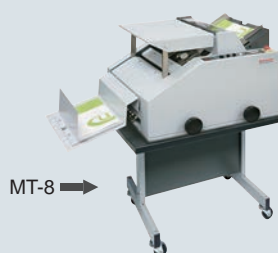

3 The SPF-8 starts as soon as prints are inserted and delivers to the tray.
